

REMARKS

In response to the Office Action mailed April 13, 2005, Applicant hereby elects, with traverse, the invention Group I, Claims 1 – 4, drawn to electrical interconnection within a housing, classified in class 439, subclass 106, and newly added dependent Claims 15 – 16.

If the Examiner believes any outstanding issues remain, the Examiner is cordially invited to contact the undersigned so that such matters may be promptly resolved.

Respectfully submitted,

---
